60 YEARS OF INNOVATION

HOEK VAN HOLLAND – THE NETHERLANDS

HIGH PERFORMANCE PLASTICS SINCE 1966

PEOPLE
MATERIALS
SOLUTIONS
A SUSTAINABLE TOMORROW

1966 – THE START

- Synres-Almoco N.V. founded as a joint venture of Allied Chemical, Synres, Philips and DSM/Staatsmijnen.
- Construction of the Hoek van Holland production facility begins.
- Planned workforce: approximately 40 employees.

1968 – FIRST PRODUCTION

- Production facility commissioned.
- First AMC, DAP and Epoxy compounds produced.
- Production based on roll-mill technology in granular form.

1970 – 1979 – GROWTH & INTERNATIONALIZATION

- Participation in international exhibitions such as INTERPLAS and ELECTRONICA.
- Worldwide sales expansion.
- Introduction of silicone technology.
- Applications in electronics, electrical engineering, automotive and industry.

1980 – 1989 – TECHNOLOGICAL INNOVATION

- Acquisition by DSM Resins.
- Transition to extrusion technology.
- Introduction of PiMC products.
- First computerization and automation projects.
- Modern milling and screening facilities installed.

1990 – 1999 – NEW LOCATION & NEW OWNER

- Construction of a new production facility.
- Opening of the High Performance Compound Centre (HPPC).
- Relocation to Kulkweg 102.
- Acquisition by Raschig GmbH (1998).
- Expansion of the international sales network.

2000 – 2009 – QUALITY & SPECIALIZATION

- Production of Raschig product lines.
- ISO 9001 certification achieved.
- Increased focus on high-performance technical compounds.

2010 – 2019 – OPTIMIZATION & AUTOMATION

- Growth in contract manufacturing activities.
- New packaging installation commissioned.
- New warehouse built and opened.
- Logistics and process optimization.
- 50th anniversary celebrated in 2016.

2020 – 2026 – SUSTAINABLE FUTURE

- Packaging modernization.
- ISO 14001 certification achieved (2023).
- Focus on Epoxy, Silicone, DAP and PiMC products.
- CO_2 Performance Ladder certification.
- 60th anniversary celebrated in 2026.

±30 Employees

4 Product Groups (DAP, Epoxy, Silicone, PiMC)

60+ Product Variations
